**Health Care is an Inside Job**  
Presented by Scott McGowan, CEO of McGowan Brabender Companies, explores how technology will bridge the information gap for each of us, raise awareness to acceptance and into action. People's health is the transitional change. If just might provoke us to think differently about our health and the consequences it has on our own lives, the lives of people touch, the economy of our communities, and most of all, the impact our unhealthy choices have on people with "real" disease.

**SPEAK**

**KEYNOTE SPEAKER:**  
**D. LYNN MEYERS**  
ARTS & CULTURE AND THEIR ROLE IN ECONOMIC DEVELOPMENT

The activities of the Arts and Culture sector and the economies of local communities are connected in many ways. Arts, culture, and creativity can improve a community's competitive edge, create a foundation for defining a sense of place, attract new & existing populations, integrate the visions of community & business leaders, and contribute to the development of a creative & skilled workforce.
