

"Empowering Growth: Unleashing Ohio's Innovation Economy in your Community "

Join us at the 2024 Ohio Economic Development Association Summit – September 2 – 4, 2024 in Toledo, Ohio --- to dive into the heart of Ohio's innovation economy and its transformative impact on economic development practices and policy.

At the 2024 OEDA Summit, we will explore how the innovation economy applies to the practice of economic development. We will hear from practitioners and policymakers on how Ohio's economic developers are pioneering the future of economic prosperity through innovation at the heart of its development strategy.

At the Summit, we will explore what really works in Ohio economic development in key areas, including fostering inclusion, great communities, economic growth, environmental stewardship and inclusion, and anchoring our daily practice in long-term sustainability,

Summit participants will have the opportunity to learn about Innovation that applies to all of our work, including business retention and expansion, business attraction, infrastructure, small business & entrepreneurship, human capital, workforce and talent, financial capital, and sustainability.

Let's convene, learn, and shape Ohio's future together.
